Dear Mayor,

The U.S. Department of Transportation (DOT) has released a transportation infrastructure grant funding opportunity, the Infrastructure for Rebuilding America (INFRA) Grant. Port Everglades is submitting an application for this grant for the Slip 1 Expansion Project. A letter of support from your city will help us demonstrate the critical need for Port Everglades to receive the INFRA Grant.

Please use the attached letter template as a guide, and include how this project might benefit your municipality. Please send your letter of support on your city letterhead, via U.S. Mail, directly to DOT Secretary Elaine Chao by February 18, 2020 with a copy via email to Glenn A. Wiltshire, Acting Port Everglades Chief Executive and Port Director.

GWILTSHIRE@broward.org

If you have any questions about the project, please contact Dr. Yacinthe, Seaport Planning Manager, at 954-468-0213.

Thank you in advance for your support.

Sincerely,

-Alan
