Hold Harmless-Utility Repairs  
Permit No. 2017-156**

Dear Mr. Kennedy:

This letter is being written to acknowledge that as part of the amenities of this development, speciality pavement(Paver Brick) was installed in certain areas. These areas include the entry, sidewalks and driveways.

The Water and Sanitary Sewer mains servicing this property are owned and will be maintained by the City of Pembroke Pine Utilities Division.

If repairs to these systems require excavation thru the speciality pavement, the City of Pembroke Pines Utilities Division will not be responsible for the replacement of the speciality pavement. The property owner if within the lot or Chapel Grove Homeowners Association, Inc. will be responsible for the reinstallation of the specialty pavement.

If you have any questions, do not hesitate to contact our association.

Sincerely,

Chapel Grove Home Owner's Association Inc.
