**RE: Pines Market Ph. I (USPS) - End of Warranty Period Televised Sewer Mains**  
City Permit No. 2018-48

Dear Mr. Quevedo:

The City of Pembroke Pines Environmental Services/Engineering Division has completed a review of the Televised Videos and accompanying Report dated June 1, 2020 for the above referenced project and the in-place gravity sewer system as televised at the end of the 'Warranty Period' has been found to be acceptable at this time based upon the Environmental Services/Engineering Division's Standards and Plans as prepared by your office and approved by this Division on March 12, 2018.

Based upon our Division's acceptance of the gravity sewer system improvements at the end of the 'Warranty Period', this office hereby approves the processing of the release of the in-place 'Maintenance Bond' from Atlantic Specialty Insurance Company for the project.

Should you have any questions relative to the any of the above, do not hesitate to contact me at (954) 518-9046 or our Division office at (954) 518-9040.

Sincerely,

CITY OF PEMBROKE PINES
