Mr. Dodge:

At the last Commission meeting, there were inaccurate comments about jets landing at North Perry Airport by the District 4 Commissioner.

I corrected those comments on the record, however, to clarify my statement was true and accurate, I am providing physical evidence of the Eclipse Jet that was on the field this summer.

This certified aircraft is compliant with the Broward County Ordinance for Weight Restrictions at North Perry Airport.

The photos attached show the aircraft and tail number. We were able to obtain the aerial photo attached from the aircraft owner.

The land based photos were obtained by pilots on the field.

I hope this record can be placed as a part of the minutes for the meeting.

More evidence is forthcoming in the near future of the other certified jet aircraft that have landed at North Perry Airport.

The current jet fuel price being sold at North Perry Airport per gallon on 9-26-2020 is \$3.90.

Thank you.

Best Regards,

Commissioner Jay D. Schwartz
