What is the justification being used for continuing to not abide by Governor DeSantis 09/25/2020 Emergency order?

Why are Broward residents still being harassed and threatened with citations for mask violations?

Why are dog parks throughout the city open but children's playgrounds have remained closed?

Please be the leaders in the community we elected you to be and follow our governor's order. Watch his roundtable discussion with health experts from Harvard and Stanford University as well as a Noble Peace Prize winner to better understand the reasoning behind lifting many of the mandates.

Please help your community by fighting the tyrants making the decisions that are negatively impacting our community in various ways.
