Dear Chief Shimpeno:

I am pleased to inform you that the South Florida High Intensity Drug Trafficking Area has given your department authority to spend up to **\$15,485.11** in overtime in support of investigative efforts of the component of HIDTA's Cocaine Strategy Initiative (CSI).

These funds are specifically for reimbursement of overtime incurred by law enforcement officers participating in the above-named operation during the twelve-month period from January 1, 2020 to December 31, 2020. Any funds not expended during this period will be reprogrammed into other HIDTA initiatives. Fringe benefits are not reimbursable and funds must be spent in compliance with established HIDTA program policy.

Your organization may submit a claim for reimbursement on a monthly basis to Lissette Meneses, South Florida HIDTA Administrative Program Coordinator, at the above address no later than 30 days after the overtime expense has been incurred.

If you accept the stipulations above, please indicate this with your signature and with the signature of your agency's Finance Director below and return this document to my office.
