Your complete satisfaction is our primary concern. At Office Depot, we want to be sure that every purchase is the right one for You. If You are dissatisfied with Your purchase for any reason, You may return most items in their original packaging within 30 days of purchase for a replacement or full refund.

Exceptions:

- Furniture, Computers and Business Machines with accessories in original packaging can be returned within 14 days after purchase for a full refund.
- Opened Computers, Business Machines and Software (with accessories and original packaging) can be exchanged for the

- same item within 14 days of purchase.
- Special Order Products may not be returned or exchanged. This includes items that are not stocked in one of our warehouses and/or are indicated as SPECIAL ORDER.

Large Technology Items and Freight Delivery:

Standard Delivery Service is available for large technology items (greater than 70 lbs.). In most instances, there is no fee for Standard Delivery. These items are delivered by freight trucks that are approximately 56 inches above the ground. These trucks are designed to load and unload items at a loading dock. Most items require a fork-lift. Liftgate Delivery Service is available at an additional fee.

What is liftgate service?

- A liftgate is a device used to lower items from the tractor trailer level to the ground. It is ideal for deliveries to residential areas or commercial areas that do not have a loading dock.

How do I determine if I need liftgate delivery?

- If Your delivery location does not have a loading dock and/or a forklift to remove heavy items from the truck, You need a liftgate.
- If Your delivery location has a loading dock, but the items in Your shipment are too heavy for You to remove from the truck, and you do not have a forklift, You need a liftgate.
- If there is not a carrier terminal in your area and/or You cannot drive to the closest carrier terminal to pick up the freight from the carrier, You need a liftgate.
- If You need liftgate service, You should select the "Freight with Liftgate" option at checkout.
- Liftgate delivery fees are based on the carrier, delivery location and delivery service You request. Fees will be noted at checkout.
- If You do not select Freight Delivery at checkout but You require liftgate service, Your delivery may be delayed and additional charges will apply.
