REF.: Aqua Guard screen replacement

Parkson Corporation is pleased to provide this quotation for the following:

1. **Two (2) Aqua Guard® self-cleaning bar/filter screens model AG-MN-A 3' wide x 9' discharge height, 75 degrees, 6 mm opening, 304 SS construction. Provided with similar features to replace existing units sold under Parkson project numbers AG906 and AG1397.**

The following items are not included as part of this offering:

- Removal of existing equipment or installation of new units
- Control panels or level sensors
- Anchor bolts
- Spare parts

ITEM 2 SERVICES

2.A Drawings and Installation, Operation and Maintenance (IO&M) Manuals:

- | | |
|------------------------|--------------------------------|
| 1. Approval drawings: | 2 prints included, if required |
| 2. Certified drawings: | 2 prints included |
| 3. IO&M manuals: | 2 included |

2.B Start-Up Assistance:

Parkson will furnish a qualified factory representative for a total of two (2) days during one (1) trip to the jobsite, for installation inspection, equipment startup and operator training. Dates of service to be scheduled upon Buyer's written request.

2.C Mechanical Warranty:

Per Section XVI of the Standard Conditions of Sale.

PURCHASE PRICE:

All of the above for \$ 220,000.00.

F.O.B. shipping point, freight included, taxes excluded.

VALIDITY:

Purchase Price is valid for thirty (30) days from quotation date, for shipment of equipment within the timetable stated below.

PAYMENT TERMS:

100% net 30 days after shipment of equipment.

DELIVERABLES:

Submittals/Engineering Services – 25%; Equipment Shipment – 75%

TIMETABLE GUIDELINE:

Within ten (10) business days of receiving a written Purchase Order in Parkson's office, if necessary, Parkson will submit a written Request for Additional Information requesting items including, but not limited to, full-scale drawings, specification sections, amendments and other documents necessary for Parkson to begin work on this Project. No work can be done on this Project until all Additional Information is received by Parkson, thus beginning the Submittal Phase. If you do not receive such a Request for Additional Information within the stated ten (10) business days, then the Submittal Phase will begin on the eleventh (11th) business day following receipt of the written Purchase Order in Parkson's office. The Shipment Phase is thereafter contingent upon your final approval of all submitted Approval Drawings. Once said final approval is received in Parkson's offices, the Shipment Phase will begin.

Submittal Phase: Six (6) weeks after receipt of purchase order, if required.

Shipment Phase: Fourteen (14) weeks following receipt of final approval of all submitted Approval Drawings in Parkson's office.

If the Submittal Phase is waived, the Shipment Phase will begin on receipt of all requested Additional Information if necessary, or if not necessary, on the eleventh (11th) business day following receipt of a written Purchase Order in Parkson's offices.

Dates are subject to confirmation upon receipt of written Purchase Order.

TERMS AND CONDITIONS:

This Quotation is governed by and subject to Parkson's Standard Conditions of Sale, which are incorporated by reference and accessible at: <http://www.parkson.com/files/documents/Sales-conditions.pdf>.

BUYER/OWNER RESPONSIBILITY:

- Control panels.
- Level sensors.
- Anchor bolts.
- Spare parts.
- Removal of existing equipment.
- Concrete slab or modifications.
- Manual bar screen.
- Local disconnects or junction boxes.
- Control panel supports or mounting.
- Gate valves, check valves, butterfly valves, Y-strainers.
- Drain piping.
- Screenings dumpster.
- Shop or field painting.
- Unloading, uncrating, installation and installation supervision. Installation will, at minimum, require a forklift and possibly a crane/hoist.
- Readiness of the equipment before requesting start-up service. Non-readiness may incur additional charges.
- Electrical connection and interconnecting wiring (including any of the following: Level sensor, motor, main control); wiring and conduit from each unit-mounted electrical device to a terminal box or control panel.
- Interconnecting piping.
- Piping connections, platforms, ladders, gratings and railings unless stated otherwise.
- Any other auxiliary equipment or service not detailed above.

Please return one signed copy of this Quotation, or your Purchase Order, to Parkson Corporation at the address below. Refer to this Quotation, date, and related correspondence.
