RE: Pembroke Pines, FL Screening Project

To Whom it May Concern,

This letter is to confirm that Parkson Corporation is the sole provider for the Aqua Guard® Element screen that you are considering. The Mack Company is our contracted manufacturer's representative for these products and services in your area. For your project we are proposing our Aqua Guard® Element Screen (AG-MN-A). Parkson Corporation is the original manufacturer/supplier of the subject product and is the only source for OEM replacement parts.

If I can be of further assistance or should you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "K Gabbert", is written over a light gray horizontal line.
