Additional Information

In accordance with subsection 282.703(5), Florida Statutes, "All state agencies shall use the SUNCOM Network for agency telecommunications services as the services become available." Services available from SUNCOM can be found at <https://www.dms.myflorida.com/suncom>. If you have any questions regarding the services that are available through SUNCOM, please contact the Division of Telecommunications at 888-478-6266, then press 3 for assistance.

Description

This alternate contract source is for the purchase or lease (as permitted by state and local requirements) of data communications products and services; this contract is only available for products and services that are not available on state term contracts. Please refer to "Contractors by Product Category" in the Contract Information section above for a complete list of products and services that are available from this alternate contract source.

Data communications products and services included in this contract may also be available from the alternate contract source for [Data Communications Products and Services \(43220000-NASPO-19-ACS\)](#); customers are encouraged to review options available under both contracts.
