Regarding tariff impacts on IPS contract quotes, Insight is communicating with the contract holder to minimize the impact of these tariffs to our clients.

Insight Global Finance has a wide variety of flexible financing options and technology refresh solutions. Contact your Insight representative for an innovative approach to maximizing your technology and developing a strategy to manage your financial options.

This purchase is subject to Insight's online Terms of Sale unless you have a separate purchase agreement signed by you and Insight, in which case, that separate agreement will govern. Insight's online Terms of Sale can be found at the "terms-and-policies" link below.

Effective Oct. 1, 2018, the U.S. government imposed tariffs on technology-related goods. Technology manufacturers are evaluating the impact on their cost and are providing us with frequent cost updates. For this reason, quote and ecommerce product pricing is subject to change as costs are updated. If you have any questions regarding the impact of the tariff on your pricing, please reach out to your sales team.

**SOFTWARE AND CLOUD SERVICES PURCHASES:** If your purchase contains any software or cloud computing offerings ("Software and Cloud Offerings"), each offering will be subject to the applicable supplier's end user license and use terms ("Supplier Terms") made available by the supplier or which can be found at the "terms-and-policies" link below. By ordering, paying for, receiving or using Software and Cloud Offerings, you agree to be bound by and accept the Supplier Terms unless you and the applicable supplier have a separate agreement which governs.
