City of Pembroke Pines,

Please see revised cost estimate for the March 2022 Municipal Election. The estimate provided previously was based on actual costs from the March 2018 Municipal Election, at \$2.27 per registered voter. Considering the changes over the years in voting patterns, we found it more practical to base our estimate on the more recent March 2021 Municipal Election costs.

The revised estimate for the March 2022 Municipal Election is based on a \$2.79 per registered voter cost. See estimate below.

Municipality	Estimated Cost
Pembroke Pines	\$166,200.00
