Dear Mr. Besing:

The City of Pembroke Pines Environmental Services/Engineering Division has reviewed the Televised Videos and accompanying Report, as prepared by Shenandoah General Construction dated 9/22/2021, for the above referenced project and the existing gravity sewer system as televised has been found to be acceptable at this time based upon the Environmental Services/Engineering Division's Standards and Plans as prepared by your office and approved by this office on September 14, 2021.

Based upon our Division's acceptance of the gravity sewer system improvements at the end of the 'Warranty Period', this office hereby approves the processing of the release of the in-place 'Maintenance Bond' for the project.

Should you have any questions relative to the any of the above, do not hesitate to contact me at (954) 518-9046 or our Division office at (954) 518-9040.
