SUMMARY EXPLANATION AND BACKGROUND:

1. Every year, the Utilities Division is provided funding for the purchase of lift station pump and motor replacements as needed throughout the year.
2. Lift Stations are used to pump wastewater from homes, businesses and parks in the City to the

Wastewater Treatment Plant.

3. As part of the Operation, Maintenance, Management of the Utility System Agreement with Operations Management International, Inc. (OMI), a Preventative Maintenance Program was established to include all lubrications, adjustments, inspections, monitoring, and repairs as necessary to maintain City Facilities throughout the term of the agreement. Included on the list of City Facilities are all 198 lift stations throughout the City.

4. Purchasing directly from Smith and Loveless gives the City the ability to save up to \$17,188.81 in sales tax.

5. On December 15, 1999, City Commission approved The Engineering Standards Manual for the City that requires all lift stations must be manufactured by Smith & Loveless, Inc. A single manufacturer was chosen for uniformity of spare parts and ease of maintenance.

6. Smith & Loveless, Inc. has provided a pricing sheet in which the City anticipates a total estimated annual amount not to exceed \$245,554.44, saving \$17,188.81 in sales tax which includes the purchase of lift station repair parts such as pumps, motors, valves, etc.

7. Request City Commission to approve the purchase of repair parts for all City Lift Stations on an as needed basis for an annual amount not to exceed \$245,554.44, from the Sole Source Vendor, Smith & Loveless, Inc. pursuant to Section 38.18(C)(3) of the City's Code of Ordinances, realizing a savings of up to \$17,188.81 in sales tax.
